

NEWSFLASH

25 October 2018

LIVING MATHS MATHLETICS OLYMPIAD 2018

All learners (Grades R – 7) are invited to participate in the 2018 Living Maths Mathletics Olympiad.

Last year's event was extremely successful with just over 180 000 learners participating.

This Olympiad focuses on problem-solving and will be written during school hours between 29 October and 02 November 2018.

Should your child wish to participate in this fun Olympiad, please fill in the reply slip at the end of the newsflash and return it to school by Friday, 26 October 2018.

All entries must be accompanied by a R10 entrance fee.

Please take note that this Olympiad should not be confused with the SA Mathematics Challenge, which was written by those senior learners who qualified for this exam.

Unfortunately we will not be able to accommodate any learner who does not return his/her reply slip and entrance fee on time, as there are certain time constraints placed upon us.

Greetings

W M Sparrow

Principal

REPLY SLIP _____

2018 Living Maths Mathletics Olympiad

Name of Learner : _____ Grade _____
Permission is hereby granted for my child to participate in the 2018 Living Maths Mathletics Olympiad.

I enclose the R10 entrance fee.

Signature of Parent: _____
